

Noora series

Designed by BOLIA Design Team, Denmark

A modular sofa that meets all your dreams of good craftsmanship, aesthetics, and comfort – with removable and changeable covers that extend the lifetime and allow you to renew and transform the design over time. Simple and luxurious design with fine, handmade details and softly padded seat and back cushions. With the wide range of modules available, you can assemble your sofa exactly as you wish, and upholster it in your choice of upholstery fabric or traceable leather.

Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
