HAY

PAO GLASS PENDANT

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- The collection includes a portable lamp, as well as pendant, table and floor lamps in different sizes in high-gloss steel or glass
- Pao Glass Pendant is an elegant, suspended light with an opal glass shade that emits a functional yet ambient glow
- Integrated LED light source ensuring a life span of at least 25,000 hours of use with inline step dimmer
- The lamp is suitable for both private and office environments
- Qualified for contract use

PAO GLASS PENDANT DESIGN BY NAOTO FUKASAWA

An exciting collaboration with Japanese designer Naoto Fukasawa, the Pao Glass Pendant is named after the soft, glowing shape of traditional Mongolian Pao tents. By keeping the aesthetics modest and simple Fukasawa creates a beautiful everyday object that is in harmony with its environment. Featuring a custom LED light source and diffuser nestled within the opal glass shade, Pao offers a functional output of light, whilst still enabling a warm, homely glow. The functionality and the deliberate simplicity of the design make it suitable for a wide range of spaces and uses in domestic and corporate environments.

Born in Yamanashi Prefecture in 1956, Naoto Fukasawa established NAOTO FUKASAWA DESIGN in 2003. His designs are known for their ability to access and communicate the true essence of an object. Currently, he designs for a wide range of leading brands worldwide, as well as consulting and designing for local Japanese companies; He also sits on the design advisory board of Muji and is the art director of Maruni. His designs span a wide variety of fields, from precision electronic equipment to furniture and interior spaces. Fukasawa is the curator of The Japan Folk Crafts Museum, professor in the Integrated Design Department at Tama Art University, and one of the directors of 21_21 Design Sight. He has been accorded the title of Royal Designer for Industry (Royal Society of Arts) and has been a recipient of the Isamu Noguchi Award. For HAY, he has designed the Pao Lamp Collection and Miz Water Bottle.

Pao Glass Pendant 350 | White

The Pao Glass Pendant features a shade crafted in opal glass. It is designed with an integrated LED light source with inline step dimmer, which is concealed by a matte blown-glass diffuser, within the shade to create a clean, unbroken visual identity. The light source offers a functional output of light, with the opalescent glass shade creating a warm, ambient glow.

opal glass

DIMENSIONS

PAO GLASS PENDANT 350
Diameter 35 cm
Height 14,5 cm
Weight 2,4 kg

TECHNICAL SPECIFICATION

RECOMMENDED LIGHT SOURCE
Integrated LED, 10W, 690lm, 2600K warm white

DIMMABLE
Triac dimmable LED driver

POWER SUPPLY
220-240V AC at 50/60Hz

IP
20

CORD LENGTH
400 cm

SWITCH
No

TEST SPECIFICATION OUTPUTS

Photometrics and the test specification shown is taken using the recommended LED bulb fitted in the production luminaire

LUMEN (LM)
670lm

KELVIN (CCT)
2600K warm white

CRI (1-100)
82
